THORUM

Thursday 12th October 2017

2.30pm and 6.30pm

I am writing to let you know about the date for the next Thorum. The Thorum is a chance for you to find out what we are doing in school and present your views about certain topics so that we are fully aware of how parents feel about certain things before we make changes or introduce something new into school.

The next Thorum has been scheduled to let you know about our new assessment software and how this will affect the way we report your child's academic achievement. An explanation of this has been sent to all parents. We would also like to take the opportunity to discuss the 'hot topic' of INVACUATION procedures. We are very good at practising our evacuation, for instance, fire drills and we are becoming increasingly concerned about adopting procedures and putting things in place should the need arise for all children to return to the safety of their classrooms for any reason.

We do not want to hold an invacuation drill without first consulting parents and carers and allowing you the opportunity to talk to your child about this beforehand.

I hope that you will be able to attend. If you cannot attend, and you would like to communicate with us about the topics, please let us know by e-mail on tps.responses@focus-trust.co.uk

Yours faithfully,

Liz Davison - Headteacher
