

### Summer Gala / Football Tournament

We are planning a Thornton Gala which we are holding in conjunction with Thornton United on Saturday 30th June 2018.

We would love for this to be a community event and for as many local businesses, parents, grandparents & friends to be involved. If you have any ideas about what you would like to see happen, or are interested in helping, sponsoring or holding a stall - please get in touch with us because we need you to help us to make it a huge success.

The next meeting is due to take place on Friday 20th April 2018 at 2.30pm at school. We would love to see you there but if you can't make it, please contact either Mrs Howard at school or Ben Firth at Thornton United.

### Easter Egg Raffle

Year 6 children will be selling raffle tickets for their Easter Egg Raffle all of next week. If your child would like to buy any tickets, please send them with some money. They are priced at £1 per strip and all proceeds will go towards the Y6 residential visit. If you would like to donate an egg for the raffle, please send it in with your child.

The raffle will be drawn on Monday 26th March. Thank you.

### Sport Relief

School will participate in this national fund raising day on Friday March 23rd. Children can come to school in sporty clothes for a donation of 50p.

### The First Family Newsletter

Please look out for the first newsletter produced by Focus-Trust aimed at all families whose children attend a school within the Trust. You can see a variety of things going on in the different schools. Trust staff are all really grateful for all your support.

### National Science Week

This week at Thornton, children have been supporting the National Science Week's theme of 'exploration and discovery' by participating in various science investigations, learning about famous scientists and their inventions as well as taking part in the national poster competition. Due to our pupils' love for science and their curiosity, we will be hosting our own Thornton Science Week (the week beginning 23rd April) and would like to invite all parents to participate in The

Science Fair event which will take place on Friday 27th April. The children will be able to come to school dressed as scientists for a small contribution of 50p. More details about this amazing event will follow shortly.
