Newsletter No.13 – March 2018

Summer Gala / Football Tournament

We are planning a Thornton Gala which we are holding in conjunction with Thornton United on Saturday 30th June 2018.

We would love for this to be a community event and for as many local businesses, parents, grandparents & friends to be involved. If you have any ideas about what you would like to see happen, or are interested in helping, sponsoring or holding a stall - please get in touch with us because we need you to help us to make it a huge success.

The next meeting is due to take place on Friday 20th April 2018 at 2.30pm at school. We would love to see you there but if you can't make it, please contact either Mrs Howard at school or Ben Firth at Thornton United.

A couple of Goodbyes....

At the end of this term we will be saying goodbye to Mrs Dyson who has been our School Business Manager since 2010. Also, Mrs Northrop who has greeted you at the main office since 1992 is retiring. Some parents will probably remember her from their own days at Thornton Primary School or when it was Thornton First School. We wish both ladies well and hope they enjoy whatever the future holds in store. Mrs Taylorson is joining us for 2 days per week as Business Manager and we welcome her to the admin team.

Wishing you all a lovely break with your families and Happy Easter for those celebrating Easter.

Easter Egg Raffle

Many thanks for your kind donations of Easter Eggs and for buying raffle tickets for our Easter Egg raffle. This has raised £270 towards the residential visit for Year 6 & other Year 6 activities.

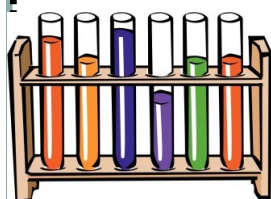

Sport Relief

Thank you for your donations towards Sport Relief which has raised £321!

Science Week

Don't forget our own Thornton Science Week (the week beginning 23rd April) when all parents will be invited to participate in The Science Fair event which will take place on Friday 27th April. The children will be able to come to school dressed as scientists for a small contribution of 50p. More details about this amazing event will follow shortly.

Please help us.....

An increasing number of children have been spotted either eating and/or distributing sweets at breaks and lunch-times. It's also been noticed that some children are bringing in their own toys/games/card-games from home. Please could parents help us by making sure that children are not bringing sweets or toys from home. It causes problems in school and sometimes children get into arguments which could easily be avoided. Thank you.

Our office staff are always happy to help you..... Please contact us if you would like our help.

We ask that you treat us kindly; we will always try our best to put you in touch with the right member of staff if we cannot help you with your query. Please give us a ring on 01274 833839.
