The Holiday Platform

Dear Parents / Carers,

Thank you for the interest you have expressed in the provision we have been looking into developing at Thornton Primary School to cater for working parents who need reliable and affordable child care in school holidays between 8am and 6pm.

We are pleased to let you know that there was sufficient interest to make this viable. Please find details below:
The Holiday Platform will run from the outside classroom which is accessible from the front of the school just inside the first of the inner gates. This will make it much easier for parents to access The Holiday Platform directly as the office will not be open. For the safety of the children, there is a coded lock on the door so it will be necessary to knock.

Included in the care will be breakfast / light tea (eg sandwiches) and healthy snacks / water etc. but each child will need to bring a packed lunch.

Activities will be provided for children to choose from and once we know who is coming, it will be possible to do a short survey with you and your child(ren) to see what type of activities they like. This is the children's time so we will do our best to provide a range of activities that they will enjoy.

The price of attending The Holiday Platform is: £30 per day (8am-6pm) or £18 per half day (8am-1pm or 1pm-6pm) (payable through ParentPay in advance)

We need to establish exactly how many children are going to use The Holiday Platform and then appoint staff to ensure they are well looked after.

Could you please return the slip below indicating your **firm commitment** to a place at The Holiday Platform and which school holidays you would need child care **by Wednesday 9th January 2019.**

If you have any questions at all, please do not hesitate to get in touch.

Thank you for your support.
