Thornton Primary School

Strategy 2026-27

Our vision: Believe, Achieve, Succeed!

Our commitment: To work in partnership with families to ensure we provide the best opportunities for all children to thrive.
To improve end of Key Stage outcomes and achievement across school.

Our five priorities:

Work hard to improve attendance by supporting families.

Building a learning culture based around high ambition and childhood development.

Ensuring the highest quality education by investing in quality CPD to coach staff in having high ambition for our children's learning.

Improving well-being of all by developing resilience through training and support.

Improving outcomes for all children in all subject areas.

Who will help us achieve this?

400+ pupils	70+ Staff
200+ families	10+ governors
